Frequently asked questions

What is Included Health?

We're your first destination for all your healthcare needs. From finding top in-network doctors and specialists to helping explain healthcare benefits and medical bills, we get you the right answers, right away.

How can we help with annual enrollment?

Connect with an expert over the phone or in the app for help understanding your 2023 health plan options. Find out what's new, what's different, and ways to make the most of your health plan. Plus, search your current doctor by name right in the app to see if they're in-network next year.

Does Included Health only help with annual enrollment?

We're available around the clock and all year long to get you the right care for your needs. Download the app to explore all the benefits available to you with Included Health.

Who can use Included Health?

Employees and their covered dependents are eligible to use Included Health **at no cost**.

Don't spend a year with the wrong health plan.

Spend a few minutes with us. It's easy to get started.
