

2023 Dental Coverage

Choose between two dental plan options administered by MetLife.

Both dental plan options – Comprehensive and Network PPO – cover preventive care at 100%. Fillings, crowns, dentures, braces and orthodontia are also covered. You may receive care from any provider you choose, but you can stretch your benefit and save money by choosing dental providers in MetLife’s PDP network.

The dental plans use MetLife’s PDP network.
