

Find mental health support that's the right fit for you.

We make it quick and easy to find care for you or your eligible family members. Use the Included Health app to search by location, language, or gender to find the right fit.

+ Therapy that fits your needs

From struggles with trauma and anxiety to children's therapy, find a therapist specializing in your unique needs.

+ Psychiatry that fits your needs

Find an in-network psychiatrist for help with medication management and support with anxiety, depression, PTSD, and more.

+ Care that fits with your coverage

Use the Included Health app or talk with a care coordinator to learn what's in-network, what's available, and ways to save on care.

Included Health is available to all eligible employees and their covered dependents enrolled in a medical plan with Lubrizol. To better direct you to resources, Included Health will ask you questions related to your preferences. You can opt out of these questions. Included Health does not share your preferences with Lubrizol.
